### **Cheverly Day 2006: Happy 75<sup>th</sup> Anniversary**

On behalf of the Council, thank you for making Cheverly Day 2006 a 75<sup>th</sup> anniversary to remember. Whether you helped plan the day, volunteered to make a float or sell hamburgers, or brought your family and friends back to Town, YOU made the weekend a success. Special thanks go to the tireless, dedicated and energetic Cheverly Day Committee, Town Administrator David Warrington and his staff, Juan Torres and his excellent Public Works staff, and Chief Buddy Robshaw and our wonderful Cheverly Police Officers for hundreds of hours of selfless work on behalf of all the people of Cheverly.

The Dance on Friday night, sponsored by the Mayor and Council, was an unqualified success. Over 220 people attended, the band was excellent, the dancing fun, the food was terrific, and the ambiance reflected very positively on our Town. The Council and I hope this kind of event will become more common in Cheverly, and hope you'll support similar efforts. A very special thanks goes to former Councilmember Fred Price for assuring the Council that an elegant event would truly be successful and then finding us both the terrific band and caterer that guaranteed success. Thank you Fred! I also want to thank Town Treasurer Susann Rosnick, for all her help with tables, chairs, flowers, set up and at the last minute, helping David Warrington man the front desk.

If Cheverly Day 2007 is to be a success, WE NEED YOU TO STEP UP AND HELP PLAN IT. Many of the veteran organizers are retiring this year, and without new blood, Cheverly Day cannot continue the tremendous growth it's enjoyed in recent years. PLEASE ATTEND a planning meeting and get involved. Visit [www.cheverlyday.com](http://www.cheverlyday.com) or call 301-341-2656.

The Council and I regret that, due to a miscommunication, the 3-on-3 basketball tournament was not held on Cheverly Day this year. THE 3-ON-3 TOURNAMENT WILL BE HELD ON SATURDAY JUNE 3rd. To register to play, please come to Town Hall on Friday, June 2nd between 7pm and 9pm. Registration is again on Saturday the 3<sup>rd</sup> between 9am and 11am, and the tournament starts at 11:30AM. Come out on June 3rd to play or watch. We owe Cheverly resident

and long-time coach Clarence Carter a big thanks for continuing to organize this tournament as he has done for many years---often out of his own pocket. In 2007, at least some portion of the 3-on-3 will be back on Cheverly Day. In addition to the 3-on-3, WE NEED MORE ACTIVITIES FOR TEENS ON CHEVERLY DAY. Please think about what can be done for teens, and share your ideas with the Committee. Without your help, our teens will continue to be underserved on Cheverly Day.

### **FY07 Town Budget and Proposed Tax Increase**

The Council and I have been discussing the likelihood of raising taxes in the Town at the last nine Town meetings and Worksessions. We will be voting on the \$4.9 million FY07 Town budget and tax rate at the June 8<sup>th</sup> televised Town Meeting. Currently, the Town's property tax rate is 40 cents per \$100 of assessed value, one of the lowest rates of any of the county's municipalities with their own police department. Normally, I could quote exact tax rates of neighboring towns, but most neighboring municipalities are also in the budget process and we know that many are also raising their rates.

With the building of the \$1.2 million Police Station, revenue remaining flat and expenses increasing, the Council has discussed a tax increase ranging from 2 cents to 8 cents, deciding on a 5 cent increase for 2007. Building the Police Station will necessitate a 2 cent increase. This project, the first step in expanding the Community Center, has been discussed and anticipated for more than eight years. It is finally under way and is expected to be completed by Thanksgiving. The remaining 3 cent increase will allow the Town to build back the reserve fund and continue to provide for the excellent Town services we have all come to expect. As in most years, there is no "fat" in the Cheverly budget.

So what does that mean to the average homeowner and what is in the proposed budget? Every penny increase yields the Town an additional \$40,500 in revenue, so a 5 cent increase adds \$202,500 in revenue. Each penny increase costs each homeowner \$10 for every \$100,000 of assessed value. Therefore a 5 cent increase in the Cheverly tax rate would cost the owner of a \$350,000 home \$175 more each year.

In 2006, the current Fiscal year ending July 1, the Town purchased almost \$100,000 in vehicles for the Public Works Department and increased the pay of our excellent Public Works employees. We paved two expensive major streets rather than the budgeted single street when we saw asphalt prices start to rise

dramatically. In 2007, a great deal of money is being channeled into public safety. We will be purchasing 5 new police cruisers with on board computers (replacing some that are more than 10 years old), as well as new bullet proof vests. We have also planned for a pay increase for the police officers in order to remain competitive when we hire new officers and keep the excellent officers we currently have. The Police Department does have several vacancies and this situation may get worse before it gets better. Bowie, New Carrollton and other Municipalities are starting up police departments and they have upped the ante with their starting salaries for officers. Adding to that problem is a shortage of good officers in the County and surrounding jurisdictions. The Council and I agreed with Chief Robshaw and felt strongly that these salaries had to be increased.

The 2007 budget calls for a 4.5% COLA for all employees, repaving Jason Street, 56<sup>th</sup> Place and parts of Inwood and Hawthorne Streets and \$22,000 in curb and gutter repair. We will install pathway lighting through the Judith Hoyer Playground and fields to improve the safety for our children and metro commuters. The budget calls for a new gym floor for our children's use at the Community Center, open space land acquisition money, installation of a hiker/biker trail between Parkway and Magruder Springs, and attractive wrought-iron fence along Tuxedo Road to act as a safety buffer between this busy road and the ball fields.

The tax rate and the 2007 budget will be finalized and up for adoption at the June 8<sup>th</sup> televised Town Meeting.

## ***Thanks to You for Cheverly Day 2006!***

A special thank you to everyone who helped to make Cheverly Day a great success! It took countless volunteer hours, the financial support from all of our sponsors, and the ongoing support from the Town's staff. Every single town employee contributed to making this day successful. When additional help was needed, they stepped in. On behalf of the Cheverly Day Committee, I would like to thank all the town employees for their dedication to Cheverly Day.

The Cheverly Day Committee is retiring this year. This is your chance to step up and help plan next year's festival. If you have ever enjoyed planning a large party, or have an idea you would like to try, call us. Ever wonder why we had a fantastic Arts Exhibit? It's because Liz Lescault came to us and told us she wanted to do it. Why have we had an awesome carnival Midway for the past 3 years? Pat Nelson said she thought it was important and decided to do it. Why do we have an award-winning music lineup on Cheverly Day? Alan Lewine chose to step forward and plan it. Cheverly Day doesn't magically happen. We know there are more ideas out there and volunteers who would like to make them happen. Cheverly Day will not happen next year unless you step forward. We need your help. Volunteer today. **Call Nick at 301-341-2656**

**The winning groups** in the 2006 Cheverly Day Parade were:

**Cheverly Weekday Nursery / Mother's Day Out** for Best Community Performance

**Cheverly Parents Resource Center** for Best Performance of *Itsy Bitsy Spider*

**59th Place Crew** - Best Float

**Bladensburg High School Marching Band** – Best Overall Performance

**Message from the Chief** Buddy Robshaw  
(policechief@cheverly-md.gov)

**C-PACT**, which stands for **Cheverly-Police And Citizens Together**, is an acronym that emphasizes that success in reducing crime, ensuring community safety, and improving the quality of life of our Town is predicated on a partnership between residents and their police. Both of these partners play a vital role in this success, and how well this partnership flourishes is in no small measure a yardstick for how well crime can be deterred and safety ensured. The last six months is a perfect example of how viable this partnership has been, as crime incidents are down considerably while arrests initiated by resident complaints have grown. By most measures, C-PACT has been a considerable success.

The problem, if you anticipated that would be my next line, is that C-PACT is populated by a small group of dedicated Town residents and police officers who regularly attend meetings, volunteer for C-PACT activities (such as Cheverly Day), and donate their valuable time participating in Ride-Alongs and other crime prevention activities. This group is exceptional, not just because they are neighbors, moms and dads, and busy people in their own right, but because they feel it important to do everything they can to make Cheverly a nice and safe place to live. While I admire their dedication, I am also cognizant that they need help to keep the progress C-PACT has made going.

**The next C-PACT meeting is scheduled for Monday, June 5, 2006, at 7:00 PM at the Town Hall.** This meeting will be dedicated to, among other things, **National Night Out (NNO)**. NNO is scheduled for **Tuesday, August 1, 2006**, and is one of C-PACT's premier events in that it recognizes on a national scale the importance of community partnerships and the necessity of citizen help in reducing neighborhood crime. All interested residents should attend this meeting and see what they can do to make this year's NNO a great success. We will need cooks, help in designing information boards, some simple construction work, some artistic talent, and some good ideas. I hope to see you there!

On **Saturday, July 22, 2006**, the Cheverly Police Department in conjunction with C-PACT will be sponsoring a program entitled, **"Women's Personal Awareness and Self Defense."** This program is designed to provide women with information about how to avoid being victimized, how to diffuse violent

situations, and then, how to physically defend themselves in the event of an attack. This class includes actual hands-on training from qualified police defensive tactics instructors. The program will last approximately 6½ hours, with a half hour break for lunch. Drinks will be provided, however, participants will be required to bring a bag lunch. The cost of this program is \$20 to participants, with C-PACT covering all additional costs and tuition. Please hurry and sign up as the class is more than half filled already.

If you haven't noticed, the construction of the new Cheverly Police facility is underway. To date, the land has been cleared and work is getting started on the building's footings. This building will be a state-of-the-art facility that will meet the needs of this Department for years and years to come. I will keep you posted on the progress.

On Friday, May 12, 2006, at approximately 8:30PM, a white Cadillac or Ford Taurus-type vehicle struck a child on a bicycle at Landover Road and Kilmer Street. The bicyclist was legally crossing at the crosswalk and was struck by the vehicle who was attempting to stop for a red light. This vehicle subsequently fled without giving aid to the injured bicyclist or providing information as required by law. Anyone having information about this crime is encouraged to **call the Cheverly Police at 301-773-8362**.

(Continued on page 6)

Please make every attempt to keep your front porch light on at night. Not only does this provide light on some of our dark streets, it certainly makes it easier for the police to identify house numbers when responding to a call for service.

The “*ElderWatch*” program will be starting soon. This visitation program was designed by C-PACT and the Police Department and results in police officers visiting the homes of our older residents several times a month to exchange news and information and ensure the safety of these residents. Anyone interested in this program is encouraged to contact me or any C-PACT member.

### **VACATIONS & HOME SECURITY:**

Residents planning to be away for vacations should call the Cheverly Police (**301-773-8362**) to arrange to have their homes checked while they are gone.

The following items should also be checked to make sure your residence is safe and looks as much as possible like someone is there:

- Cancel newspaper & mail delivery or have a neighbor pick it up for you.
- Arrange for lawn care.
- Valuables should be stored, preferably in a bank.
- Store lawn mowers, bicycles, and lawn furniture inside.
- Lights inside the house should be set on a timer.
- Set telephone bells as low as possible.
- Shades and drapes should be drawn.
- Cars left in the driveway should be locked.
- Make sure smoke detectors are working.
- All windows and doors should be locked.
- Give your house key & itinerary to at least one friend or neighbor.

## ***Cheverly RECREATION COUNCIL***

There is no meeting in June, our next meeting will be **Tuesday, September 26<sup>th</sup> at 7:00PM** in the conference room of the Community Center. In place of a meeting, we will have our annual family picnic at Jug Bay in June or July. Have a wonderful summer and think about coming to our September meeting.

*B. Pejokovich*

### ***SUMMER PLAYGROUND***

There will be a local MNCPPC supervised summer playground again this year at Gladys Noon Spellman Elementary School. This drop-in program operates from Monday, June 19 through Friday, July 28 (closed July 4). Playgrounds are for children ages 6-12 and operate Mondays through Fridays from 9AM to 3PM. Participants must provide their own transportation to and from sites, and must bring their own lunches. Closed-toe shoes are required. NO SANDALS. Fee is \$25 for the summer. To register you must set up a free SMARTlink account or go to a MNCPPC recreation center. **Get details at [pgparks.com](http://pgparks.com).** A complete listing of playgrounds for Summer 2006 appear in SMARTlink.

### ***Friends of Lower Beaverdam Creek — Stream Restoration and Trail Needs You***

FLB needs help (individuals and/or groups) to help pull invasive plants like English ivy and multiflora rose from along the trail that extends from the community center to Arbor St. Please donate a couple of hours any time **between 9:00AM to noon on Saturday, June 24.**

We meet regularly on the last Saturday of every month (except July, August and December) at Woodworth Park located at the corners of Wayne Place and Cheverly Park Drive from 9AM to noon to work on the trail. We offer students the chance to earn community service hours, and individuals are welcome to donate hours at their own convenience.

We also need fresh ideas for our planning meetings. For more information on meetings and work sessions, contact Ena Ward, Volunteer Coordinator, at 301-322-8686 or [enaward@comcast.net](mailto:enaward@comcast.net).

**Cheverly KIDS CARE CLUB** (6-9) is planning a **"Senior Appreciation Spring Social"** to honor the seniors in our community on **Saturday, June 10<sup>th</sup>, from 4:00-6:00PM** at the Cheverly Community Center. This service project corresponds with our 2005/2006 focus of seniors in our community, and is the culminating project of the year. This is a wonderful opportunity for the kids of Cheverly to show appreciation for the seniors within our community, as well as learn the importance of the daily contributions that our seniors have made to the community and within our lives. Kids Care members and parents from all age groups are invited and encouraged to participate.

If your child(ren) can participate in this project, and you are available to volunteer in any capacity, please let us know at your earliest convenience.

**Also, if you know of seniors (65/older) who may be interested in attending, we would be glad to extend an invitation to them!**

For information contact Janice Mereday at [janice.mereday@bep.treas.gov](mailto:janice.mereday@bep.treas.gov) or Sonya Braddock at [sjbraddock@gmail.com](mailto:sjbraddock@gmail.com) or call 301-908-5865.

**Riverdale Park Farmer's Market** is open every **Thursday from 3-7PM** from now till November 16. This is a producer's only market which means everything is locally grown. the market includes fruits, vegetables, baked

goods, herbs, flowers, soaps, prepared foods, music and a variety of craft vendors throughout the season. Come support local agriculture and enjoy the friendly social atmosphere at Riverdale Park Town Center. the market is located at the intersection of Queensbury Road and Rhode Island Avenue (next to the Riverdale Park Marc Train station). for more information check our the Riverdale Park Business Assoc. website at [www.riverdaleparkbiz.com](http://www.riverdaleparkbiz.com).

**Court Appointed Special Advocate (CASA)** is recruiting volunteers to advocate for the needs of abused and neglected children in Prince George's County. CASA provides training and supervision to volunteers who spend time getting to know the children and what is in their best interest. Volunteers also collaborate with teachers, social workers

and attorneys to ensure that the child's needs are addressed. CASA volunteers present their recommendations about the children's needs to the court. CASA/ Prince George's County is now accepting applications for 2006 training sessions. Bi-lingual volunteers are encouraged to apply. ***Have a great summer!***

Drive carefully and watch for all the children out of school who will be out on the streets and playing in the parks.

## **REMINDER TO RESIDENTS FROM PUBLIC WORKS**

Public Works employees work with their hands. When placing your yard waste out for pickup, **PLEASE DO NOT PUT POISON IVY** wrapped up in bundles of brush. Put any offensive weeds in the clear leaf bags to protect the Public Works employees.

Branches can be placed in trash cans for easy disposal if you aren't able to tie and bundle them.

**BAMBOO** (not recyclable yard waste) tied and bundled or placed in trash cans, will only be picked up on bulk trash day (Thursday or Friday).

Also, our Sanitation crew is strong, but **DO NOT PUT DIRT IN TRASH CANS**. The men grab these cans with one hand and can injure themselves when the cans are weighed down with dirt and heavy type debris.

Please consider your Public Works employees before you put out your yard waste and trash.

## **MULCH**

Public Works has fine grade mulch, ground from leaves and yard waste brush, etc. **Contact the PUBLIC WORKS OFFICE to schedule a mulch delivery.** They are open Monday-Friday from **7:30AM to 4:00PM.**

**The fee is \$20 per delivery. The Maximum for one delivery is two (2) scoops of the bulldozer.** If you have any questions call **301-773-2666.**

**Public Works will keep a large mound of the mulch at the Town Park parking lot (near the ballfields) for residents to help themselves.** The Town **DOES NOT** provide wood chip mulch for residents. Any mounds of wood chips in the parks **IS FOR THE PARKS** and is not available for residents to take.

Public Works can only deliver mulch where there is a driveway or a safe place to back their dump truck and tip the load on the lawn.

**REMINDER:** If you leave mulch on the lawn for very long—it will kill the grass beneath.

***Need help with YARD WORK?*** To assist our elderly, and other residents who need help with yard work, Cheverly maintains this list of teenagers who are interested in being hired for mowing lawns, raking leaves, shoveling snow, etc.

## REMINDERS TO RESIDENTS

### ANIMAL ORDINANCE — CODE VIOLATIONS:

- Animals running at large.
- Failure to pick up fecal waste when walking dog.
- Excessive noise.
- Unsanitary conditions on private property.
- Confined in heat.
- Failure to license a dog/cat.
- Failure to display license and/or current rabies tag.

### **Don't let your pets become a nuisance.**

Complaints from residents:

- ☹ Dogs running loose that have bitten residents.
- ☹ Dogs running loose that have attacked smaller dogs being walked by their owners.
- ☹ Owners walking their dogs that leave fecal waste in other people's yards, on sidewalks, or in parks.

### **PLEASE BE A GOOD NEIGHBOR:**

- ⇒ Your dog/cat must be **SECURELY** confined so that it cannot escape from your property.
- ⇒ Dogs must be on a leash strong enough to control the animal.
- ⇒ Do not let your dog run loose in the parks.
- ⇒ You **MUST PICK UP** after your animals.

Also, Be aware that if you leave your dog at home alone with the windows open your dog may bark at everything and everyone that passes and become a noise problem for the neighborhood.

**NOISE — a friendly reminder** — Please be aware that Cheverly has a noise ordinance. Daytime hours are considered 8AM to 9PM for allowable noise from construction or that emanating from power equipment. Daytime hours on Sunday begin at 9AM. It is unlawful, between 11:00PM and 8:00AM, to operate radios, televisions, audio systems, etc. that create noise in any way audible to others living nearby or so as to disturb the peace and quiet of the neighborhood.

**PROPERTY MAINTENANCE** — Summer brings with it those dreaded outside chores: mowing lawns, trimming trees and hedges and general lot maintenance.

### **CODE VIOLATIONS:**

- ⇒ Allowing grass to grow over 8" in height.
- ⇒ Trees and bushes in your yard which hang down and otherwise impede sidewalk traffic.
- ⇒ Hedges and bushes over 3' high which block the view at intersections.

If you are cited for these or any lot maintenance violations, please correct them within the time frame given.

In the case of non-compliance, the Town will have a contractor correct the violations and the property owner will be billed. Please note that these charges can be \$100 or more and carry a fine as well.

### **RESIDENTIAL BUSINESS LICENSES**

If you are currently operating a business out of your home, you are required to obtain a **Town Residential Business License**.

*Home occupations* are under (Chapter 9-of Town Code) and (subtitle 27-of the Prince George's County Code) and do not include any retail business or trade, etc.

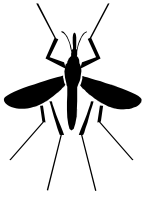

Town Residential Business Licenses are issued annually for the Fiscal Year (July 1 to June 30). Please call the Town Clerk at 301-773-8360 or stop by the Town Office to pick up an application form. *The yearly business license fee is \$20.*

### **CHEVERLY RENTAL LICENSES**

All single-family, multi-family, and roomer rental dwellings in Cheverly are required by Chapter 5 of the Town Code to obtain a **Cheverly Rental Housing License**.

Licenses are issued annually for the Fiscal Year (July 1 to June 30). Call the Code Enforcement Office at 301-773-8362 for an application. *The yearly rental license fee is \$40.*

**NOTE:** *Failure to comply with Town Code licensing laws can result in a fine.*

## TAMING THE “TIGER”

Summer is here and so is the “Asian Tiger”. This aggressive mosquito is black with white stripes on its legs and a white stripe down the middle of its head and back. The Asian Tiger mosquito has become a serious pest in parts of Maryland and doesn’t respond well to traditional mosquito control methods. It bites during the day and even follows people into their cars and homes. Because of these mannerisms, the State’s control program has not been able to contain the species adequately. However, there are a few ways **YOU** can help tame the “tiger.”

The Asian Tiger mosquito is a weak flyer; it flies not more than 100 yards from its breeding site. Therefore, the mosquitoes that are biting you in your yard most likely are breeding in your yard.

**Check your yard for ANY containers that can hold water.** Even the smallest amount of standing water (1 Tbsp.) can serve as a breeding site. The ‘Tiger’ lays its eggs in these sites and they hatch within a few days of being flooded. Even small containers such as drinking cups can produce mosquitoes.

### PREVENTIVE MEASURES:

- ☑ Fill in any low areas in the yard, they can hold water or allow it to pool.
- ☑ Change bird bath water weekly.
- ☑ Clean debris from house gutters, sticks and leaves create areas that collect water.
- ☑ Ensure that your gutters and downspouts have positive flow and do not hold water.
- ☑ Repair leaky exterior water spigots.
- ☑ Empty containers, under flowerpots that hold water or remove them where possible.
- ☑ Turn your trashcan upside down or make sure the lid is on tight.
- ☑ Check tarps that cover items for standing water.
- ☑ Empty baby pools every three days.
- ☑ Make sure water drains out of sandboxes.
- ☑ Use only perforated drainpipes at the end of downspouts.
- ☑ Remove, dispose and/or drill holes in any vehicle tire that is exposed to water.

## Breeding Sites

**Talk to your neighbors about the ‘Tiger’.** Your problem may be coming from containers in someone else’s yard! Many people don’t know what mosquito larvae look like or that they breed in very small amounts of water. One tire with a few cups of water can breed hundreds of mosquitoes continuously throughout the warm months.

**Another line of defense is to introduce natural predators.** These include frogs, mosquito fish, purple martins and bats. For detailed information on introducing some of these natural mosquito predators to your yard, call the **Maryland Department of Agriculture, Mosquito Control Office at 301-475-9123.**

**The last lines of defense are larvaciding and spraying.** To protect ponds, birdbaths or other standing water on your property, mosquito dunks are available at home & garden centers. Spray sheltered areas in your yard with an insecticide labeled for adult mosquitoes. ‘Tiger’ adults rest in dark sheltered areas such as under decks or porches, in thick or low-growing vegetation, or in outbuildings or sheds with gaps they can enter. Concentrate treatment in these areas. Read and follow all directions on the insecticide label. Many different brands will work, but some of the active ingredients which work well against Asian Tigers are: **Resmethrin, Permethrin, Pyrethrin.**

Town park and wet areas will be covered by the State larviciding & spraying program. **Note: Cheverly has been scheduled for Adult Mosquito Surveillance and possible spraying on TUESDAY NIGHTS from June 5 through September 30.** Residents can call the Public Works Department at **301-773-2666** to report major problem areas. Complaint areas will be sent to the Department of Agriculture. They will try to check these areas first, especially if there is an area of stagnant water in the vicinity.
